

LOUISIANA REDBUD ASSOCIATION “REDBUD CHALLENGE”

This year we will have 3 extra trophies to give away to winners of our “Redbud Challenge.” We will accept the first three challenges that we receive and announce them on the radio and in the newspaper for a little rivalry competition. For example, Business A challenges Business B to the “Redbud Challenge.” Each business builds a float to be in the parade and our special “Challenger Judge” decides which out of the two wins the challenge. That business, youth group, person, etc. gets to take the “I won the Redbud Challenge” trophy home for a year. Each year the winners can be challenged again to claim the trophy for themselves. The winners will be announced on Redbud Day and also on the radio and have their pictures taken with their trophy for the newspaper.

If you would like to challenge another group, please contact Johnnie Faye Hale at 318-375-3819 so that we can announce your challenge in the weeks before Redbud. We can only accept the first 3 challenges but I encourage groups to have their own challenges among each other.

Lets make this years parade stand out with bigger and better floats than ever.
